The property is offered with NO ONWARD CHAIN.

Upon entering the property is an entrance porch with an opening to the converted garage, a versatile space ideal to use as a home office, business space, as a downstairs bedroom or playroom. The spacious sitting room, with wood effect flooring, is situated to the front of the property and offers plenty of space for comfortable seating and features an electric fire as the main focal point. Running the width of the property is the well-appointed kitchen/dining room. The kitchen, with taupe gloss effect units and sparkly quartz effect worktops, comprises a range of fitted units with an integrated electric oven and induction hob, along with space and plumbing for a washing machine and space for a fridge. An island offers extra workspace, additional storage and breakfast bar with space stools. The utility room offers plenty of extra storage, space and plumbing for a washing machine and space for an under-counter freezer. Adjacent is a downstairs cloakroom with WC, wash hand basin and a useful storage cupboard. Stairs rise to the first floor landing which leads to all four bedrooms and the family bathroom. The well-appointed, fully tiled bathroom comprises; a bath with shower overhead, toilet and vanity wash basin. The principal bedroom is a generous double looking out to the front of the house with a wall of fitted mirrored wardrobes along with a private shower cubicle. Again situated to the front of the property, is a small double bedroom with built-in wardrobes and a view to the front. A further double and single bedroom look out to

the rear gardens and Mendip hills beyond, both benefitting from fitted wardrobes.

OUTSIDE

To the front of the property has a south aspect with solar panels, a tarmac driveway with space to park six vehicles and a side pedestrian gate leading to the rear. The enclosed rear garden has a paved patio area, ideal for outside furniture and entertaining. Steps lead down to an area of lawn and a paved ramp leads to a good size wooden shed which benefits from light and power and is a great space for garden equipment and storage.
