Description

An older style detached house situated in a popular residential road above Nailsworth. This location enjoys a thriving local community and allows for easy access to the shops and amenities of the town, with superb views across the valley at the rear. The property is built using traditional methods under a pitched roof with accommodation arranged over three floors and has been the subject of improvement and renovation during the current owner's tenure.

An entrance hall, cloakroom/WC, two reception rooms and laundry room are on the ground floor. A staircase leads down from the hall to the lower ground floor, with a 20' kitchen, 17' dining room and conservatory on this floor. A principal bedroom with en suite bathroom, three further bedrooms and shower room are on the first floor. There's lots of space on offer here, and the windows at the back of the house look over the garden and the valley beyond to Watledge and surrounding countryside.

Outside

The interior is complemented by a large garden, parking and a garage. There is a block paved drive to the front of the property with a gate to one side, and access to the integral garage on the right. The garden is at the rear of the house, with access down from the side of the property or the lower ground floor. This area is well kept, with a paved area with a canopy over by the house, with a couple of steps down to the lawn. This is edged with established planting, with a summer house in the bottom corner and a productive growing area on the other side of the plot. There are raised beds, and fruit bushes here, and a useful shed.

Location

The property is very conveniently located within easy walking distance of the centre of Nailsworth which offers a large selection of speciality shops including Williams Food Hall, the famous Hobbs House Bakery, various clothing and gift shops, several cafes and a good selection of very well regarded restaurants. Nailsworth is also home to Forest Green Rovers Football Club and both state and private schooling within the area. Junctions of the M4 and M5 motorways are within easy reach and railway stations at Stroud (4 miles) and Kemble (10 miles) provide main line services to Gloucester, Swindon and London Paddington.

Directions

From this office turn left at the mini roundabout and proceed up Springhill for approximately 500 yards turning right into Hayes Road just after the turning to Churchill Road. Proceed into Hayes Road and the property will be found on the right hand side, a little way down.
