The Property

This charming character cottage offers lovely period features and is situated on a forest track in an extremely peaceful and private setting.

A brick porch with large apex window opens into the main sitting room featuring an inset wood burning stove and doors opening into an adjoining family room. Both rooms benefit from exposed wood flooring and Sash windows overlooking the forest to the front. Set off the family room is a small cloakroom with wash basin and WC.

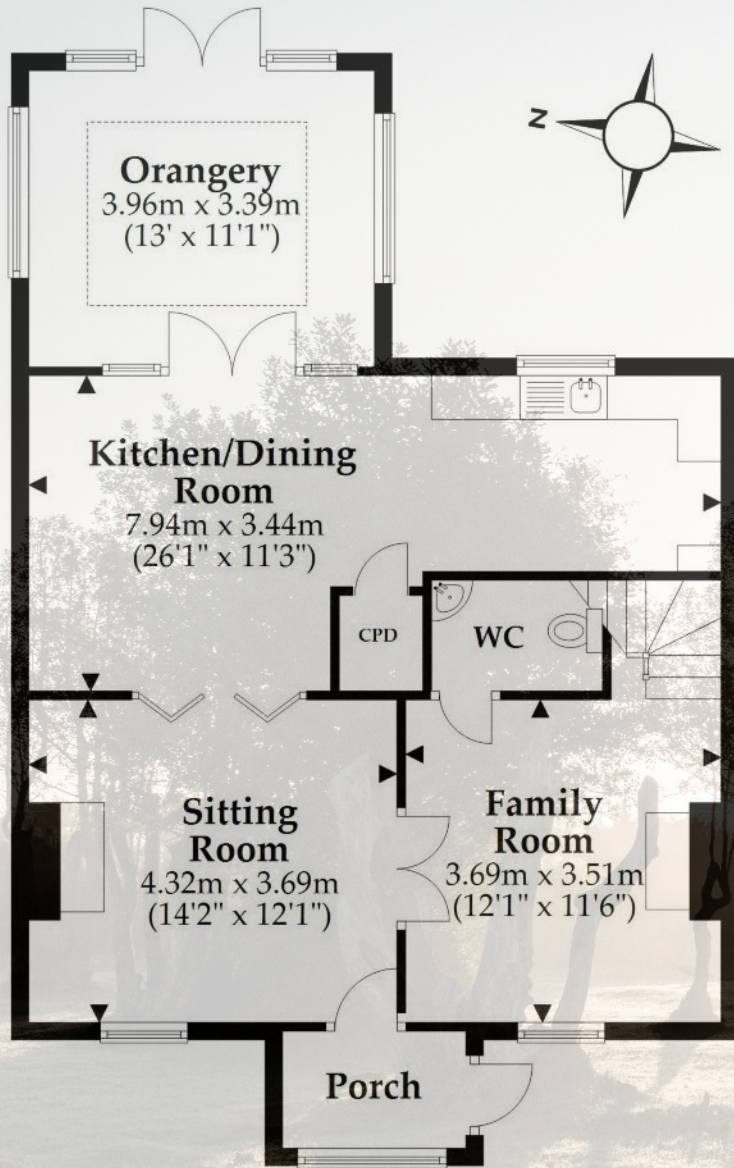

The sitting room looks through the whole house to the rear garden and links via glass doors to the impressive kitchen/dining room, which extends the full width of the property. The kitchen is fitted with a range of wall and base units with space and plumbing for an integral washing machine and dishwasher and space for a freestanding American style fridge/freezer. At the end of the kitchen is a Range cooker with built-in extractor unit above. A small, separate cupboard area provides an ideal space for a tumble dryer.

The dining area offers a good size space which can accommodate a large dining table, perfect for entertaining. From the dining area, French doors with windows either side open into a superb triple aspect Orangery complete with stylish lantern roof with beaded lighting, tiled underfloor heating and a door opening onto the rear terrace. The Orangery enjoys lovely views across the rear garden.

To the first floor, there are two front aspect double bedrooms with Sash windows offering elevated views across the open forest. The main bedroom offers fitted wardrobes and the other has two free standing wardrobes. There is a single third bedroom which is currently being utilised as a study that overlooks the rear garden. The bedrooms are served by a large family bathroom comprising a panelled bath, shower cubicle, wash basin with storage underneath, WC and heated towel rail. An airing cupboard also houses a modern boiler unit.

Grounds & Gardens

The property is bounded to the front by a pretty picket fence border with a pedestrian gate opening onto a small front garden filled with mature shrubs and a shingle path leading to the front door. Side access either side of the property leads to the rear, where a paved sun terrace extends across the back and away from the house.

The rear garden has been impressively landscaped by the current owners to create a wonderful tranquil space. It is apportioned into three separate areas of lawn, interspersed by a gravel pathway leading through the garden and filled with mature plant beds. Half way down the garden is a paved area, providing the perfect place for al fresco dining and barbeques. Further to this there is a gravel driveway set to the back of the plot and is accessed via a track running behind the property.

Wooden double gates open onto the driveway which provides off road parking facilities and access to a detached single garage. An additional brick built detached outbuilding offers options for several uses (subject to the necessary planning consents being granted). The rear garden is bounded by established hedge and timber fence borders. Both the front and rear gardens feature mature Magnolia trees.
