DESCRIPTION

This Grade II Listed property lies in a conservation area, one of the older parts of the town steeped in history, yet is still close to the town's facilities.

The property is entered from the front into an entrance lobby with a multi paned glazed door leading into the sitting room. This good sized room has high ceilings, a feature fireplace with raised hearth, built in shelved recesses with base cupboards, wood effect flooring door to inner hall and door to kitchen / diner. Fitted with an extensive range of base, drawer and wall units with work surfaces incorporating a single drainer sink unit. There is a wall mounted gas boiler, plumbing and space for dishwasher, space for freestanding cooker, fridge / freezer and ample space for table and chairs. A feature of this room is the exposed brick wall and panelling. Within the inner hall, a staircase rises to the first floor and a door leads into the utility / cloakroom, with low level wc, wash hand basin, plumbing and space for washing machine and tumble drier.

On the spacious first floor landing the staircase continues to the second floor. There is a large walk in airing cupboard (potential dressing room) with light and double doors. The large family sized bathroom is fitted with panel enclosed bath with mixer tap shower attachment, low level wc, wash hand basin inset into double width vanity cupboard and a corner shower cubicle.

The second floor also has a spacious landing currently used as a computer workstation. There are three double bedrooms all with sash windows to the front.

OUTSIDE

The property is approached directly from the pavement. There is no outdoor space, however the property is situated close to "The Meadows", Collett Park and other attractive walks. There is on road parking just past the property, currently with no restrictions. Access to the town can be reached by walking upwards along Tipcote Hill. This will bring you to the north end of the pedestrianised Town Street.

ADDITIONAL INFORMATION

Gas fired heating. All mains' services are connected. Council Tax Band A. The property has a flying freehold with the adjoining property.
