The rear garden is a superb feature of the property as it measures approximately 160' x 60' and is fully enclosed by mature shrubs and fencing.

Adjacent to the rear of the property there is a large Indian Sandstone paved patio which continues down to join a large expanse of well-kept lawn. Halfway down the garden there is a brick-built outbuilding which is currently used as a garden store, whilst at the far end of the garden there is a greenhouse/potting shed. The garden itself must be seen to be fully appreciated. The front driveway provides generous off-road parking for several vehicles.

Further benefits include double glazing and two separate gas fired heating systems for the main house and the annexe.
