### Property Description

Larch Wood Avenue sits centrally within the Quarter Jack Mews development and was the signature street when the scheme was originally submitted for planning, giving the home added kerb appeal due to the design and fenestration of the homes in the road. The accommodation comprises a formal living room, study, cloakroom, open plan kitchen/breakfast room and utility room to the ground floor, and there are four double bedrooms to the first floor, which are served by a family bathroom and en-suite shower room. The home has gas fired heating, is double glazed throughout and benefits from the installation of solar panels.

## Gardens and Grounds

The front garden is primarily laid to a kept lawn and there are brick built wall posts with hedging, which denote the boundary. A brick block driveway leads to the left hand side of the home and is suited to several vehicles. The driveway in turn gives access to the single garage with an up and over style door. There is a wood-built garden gate adjacent to the garage, which gives access to the rear garden. The rear garden is well stocked and primarily laid to lawn. A patio spans the rear elevation and there is a further patio towards the rear boundary. The garden is entirely fenced with closed panel fencing and has westerly orientation.

Estate charge: 259 per annum
