## FORMER AGRICULTURAL BUILDING, BERRY'S FARM, CONDER GREEN, LANCASTER, LA2 0BG

This disused agricultural building presents a rare opportunity to acquire approximately 2,700 sq ft (250.84 m<sup>2</sup>) of covered storage space located in the peaceful village of Conder Green, conveniently located within easy reach of Lancaster, Garstang, and just 2.5 miles from Junction 33 of the M6.

Constructed with a steel portal frame, the building features a poured concrete floor, concrete block walls topped with timber space boarding, and a pitched fibre cement roof. It is currently used for non-agricultural storage but offers significant potential for alternative uses, subject to the necessary consents being obtained.

The property benefits from mains water and electricity connections. Purchasers should note the requirement to relocate the access doors from the south elevation to the east elevation within six months of completion.

This is a rare and ideal opportunity for those seeking flexible space in a well-connected rural location, with scope to adapt the building to suit a range of future uses.

Viewing is strictly by prior appointment with the selling agents only.
