Description

Located in the highly sought-after Blue Bell Hill area, this beautifully refurbished and substantially extended semi-detached chalet bungalow offers spacious and versatile accommodation, perfectly suited to modern family living. Thoughtfully redesigned by the current owners, the property combines high-quality finishes with practical design, arranged over two well-planned floors. To the front, a generous garden and off-road parking for two to three vehicles provide both strong kerb appeal and everyday convenience. Internally, a welcoming entrance hallway leads through to the impressive open-plan kitchen, dining and living space at the rear — undoubtedly the heart of the home. The contemporary kitchen is fitted with a range of quality units, generous worktop space and integrated NEFF appliances, along with dedicated space for a freestanding fridge freezer. Underfloor heating runs throughout the ground floor, creating a comfortable and energy-efficient living environment, complemented by a modern heat pump system. The dining and living areas flow seamlessly together, centred around a charming open fireplace. Bifold doors span the rear elevation, flooding the space with natural light and opening directly onto the garden, creating an excellent indoor-outdoor connection. The property further benefits from a Rako smart lighting system, enhancing both ambience and functionality throughout. The ground floor also features a generous principal bedroom with a stylish ensuite bathroom, a further bedroom ideal as a guest room or home office, and a contemporary family shower room. Upstairs, the converted and extended loft provides a spacious double bedroom with its own ensuite shower room, making it ideal for older children, guests or multi-generational living. Externally, the rear garden enjoys a northeast-facing aspect and offers a private setting for relaxing or entertaining. Both the front and rear gardens will be laid to lawn as soon as weather conditions permit, completing the outdoor space. Ideally positioned close to local amenities, schools and transport links, this move-in-ready home offers flexibility, modern efficiency and quality finishes in a prime location. Early viewing is highly recommended.
