Externally

Garden

The front garden benefits from a large driveway and turning head which provides off road parking for several cars. The remainder of the front garden is laid to a beautifully kept large lawn area.

A timber gate gains access to the fully enclosed rear garden which is another lovely feature of this property. There is a paved patio area with one step up leading to the main area of garden. This is laid to a good size, neat shaped lawn. There are gravelled beds and a further decked area ideal for a hot tub. (Please note the current owner is prepared to sell the 4 seater hot tub which is already at the property. Included in the garden is a brick built workshop, a timber garden shed and a lovely summer house. All have power and lights connected to them.
