HIGHDOWN ROAD, BN3 6EE

Jack Taggart & Co are pleased to be offering this three-bedroom red brick traditional terraced home which stands within a classic, unique area of Hove. With internal floor measurements of over 1,150sq ft and that's not even including the patio south facing patio garden.

Introducing Highdown Road, set directly back off of the prestigious Dyke Road, Brighton. Tucked away on a secluded road, yet still in a highly desirable area and walking distance to all sociable amenities including the bustling hove lifestyle and 7 dials on your doorstep with bakery's, cafe, bars and restaurant's. This prime residential area has an exceptional standard of schools, excellent road links to the city centre, as well as A23/A27 which is perfect for those who commute to work. The Idyllic South Downs national park is close by as is St Annes Wells Gardens.

Although this property is in need of modernisation throughout, it has huge potential to become the perfect family home. The property offers open planned living/dining room with a retractable door to create sectioned areas when necessary this then leading on to the conservatory, this is a bright and airy space with the natural light streaming throughout the day. The separate fitted kitchen offers a blank canvas for any new homeowners to create their own ideal kitchen design, there are currently deep oak wood streamlined surfaces and plenty of storage space. This home provides three very well sized double bedrooms on the first floor, all offering high ceilings, nearly of its original features throughout, a bright and inviting space with far reaching views over hove rooftops. This level also comprises the family bathroom featuring shower over bath, sink, W/C and shelving storage.

The property offers an idyllic south patio garden at the rear, which can be your perfect morning coffee spot or enjoying sociable evenings and alfresco dining with family and friends. If this doesn't already sound like the perfect home to be, please give us a call to book in, being sold with NO CHAIN.
