## The Property

The property is accessed via a small pedestrian path, providing access to this small run of terraced cottages and set back from the lane.

A gated entrance leads into the enclosed front garden, with a path leading to the covered storm porch set over the main entranceway, which opens into a lobby with stairs leading directly in front of you up to the first floor.

A door from here leads into the living room, which features a corner fireplace with an inset wood-burning stove set on a tiled hearth. A large square box bay window allows plentiful natural light with southerly aspects. The dining room is set adjacent and offers another generous space with ample room for a table and chairs, featuring an open fireplace (not currently in use) with a wooden mantel and slips. A window overlooks the rear courtyard, and two useful large storage cupboards are set off the room.

From here, a door opens into a well-fitted modern kitchen with storage set at both base and wall levels, coordinating work surfaces, and attractive tiled splashbacks. Fitted appliances include an induction hob set over a built-under oven with an extractor hood above. There is space for a washing machine and fridge freezer. A gas boiler is housed within a wall unit, providing heating and hot water. A door from here leads out to the garden.

The small first-floor landing provides access to the two bedrooms and bathroom. The principal bedroom is set at the front of the property with elevated views and benefits from a large walk-in wardrobe. Bedroom two benefits from an attractive ornamental fireplace. The modern bathroom offers a white suite comprising a bath with a shower set over, a WC, and a wash hand basin.

AGENTS NOTE: We understand there is potential to convert the loft (STP) to create a third bedroom, as neighbouring properties have undertaken.
