About the Property

The property is approached by a secure enclosed stairway that rises to a retained terraced area on the first floor of the development. This allows for the property to enjoy independent access and gives this particular apartment a superb degree of privacy.

The apartment has an entrance hallway that leads to a generous open plan living/dining room which is flooded with light from large double doors that open to a Southerly facing Juliet balcony. As can be seen from the photographs the living room is a great size, and the dining area is sensibly positioned next to the kitchen.

The recently fitted modern kitchen has a comprehensive range of units which are enhanced with quality appliances. With plentiful preparation space and everything being easily at hand in the kitchen, the design and layout is ideal for keen chefs.

The principal bedroom has a contemporary private ensuite shower room, and the second double bedroom has the use of a full size recently fitted modern bathroom. Both bathrooms have been fitted to an exacting standard with beautiful tiling and quality fittings.

There is a lovely, retained terrace area directly outside of the apartment that forms part of the communal areas of the development - but as this is only used to access this apartment it feels like a private outside space (please note this is not conveyed with the property). There are also communal gardens surrounding the apartments and allocated parking with generous provision for visitors.
