

Description

This is a truly stunning bungalow that has been fully refurbished through out, both internally and externally. It will require very little maintenance and has been modernised to a high standard.

The extension to the rear gives the bungalow an impressive floor print and offers a sociable open plan layout.

The kitchen has fully integrated appliances and has the benefit of a water softer and wine cooler. There is a beautiful central island which is the hub of this stunning home. In addition to this there is also a utility room.

Other benefits include bi folding doors onto the garden and under floor heating.

In addition to the kitchen/living area there is a separate lounge/snug.

All three bedrooms are a generous size and the master benefits from dressing area and En-suite shower room.

Outside the garden has been tastefully landscaped and has a patio area and has been re-turfed.

The driveway offers space for up to 4 vehicles and there is an attached garage which is larger than average. This has power, light and a electric door. It can also be accessed via the garden.

If you are looking for a bungalow with plenty of space and do not want to do any modernisation/work this is ideal, it has had a full refurbishment and can not be faulted. If you would like to arrange an internal viewing please contact us to arrange an appointment.
