Nestled in the aching pretty hamlet of Whitehall, just a stones throw from the village of Middle Marwood, Rock Quarry provides an incredibly rare opportunity to create your dream home in a truly stunning setting. A former quarry, Rock Quarry has been shaped by both man and nature into a wonderfully secluded spot with a rock wall to the rear providing privacy and protection from the weather while the rest of the site offers a delightful rural outlook, with an accompaniment of a babbling brook the only sound to be heard. That this oasis is less than three miles from Barnstaple only increases it's appeal. Detailed planning consent (see below for planning reference) is granted and the current owners have cleared the site, prepared services and built a useful outbuilding, all ready for work to commence. Make the most of this opportunity before it goes forever!
