The Area

Great Linford is an historic village with ancient barns and thatched cottages but also more modern homes and has easy access to the M1. Adjacent to the High Street with its thatched cottages, barns and a great pub is Great Linford Manor Park with its 17th century manor, art centre, almshouses and ancient ponds. There are other parks nearby and play areas plus a sports field and a wonderful circular cricket field off the High Street.

The area benefits from being located between both Central Milton Keynes and Newport Pagnell. Newport Pagnell is an old market town that offers a range of shops, restaurants and pubs. In Central Milton Keynes you will find a large range of retail, entertainment and recreational activities including Centre:MK, the Theatre District and the Xscape building.

Central Milton Keynes is also home to a mainline railway station, with regular and direct links into London Euston - with journey times of approximately 35 minutes. Junctions 13 & 14 of the M1 are also accessible providing excellent road links to the north and south. Main trunk roads such as the A5, A421, A422 and A509. All this makes Milton Keynes a popular area for commuters.
