41 Jenkinson Way, Falfield, South Gloucestershire GL12 8EG

This smartly presented modern detached village home enjoys a level corner plot with a brick-walled garden, lawn and patio. Off-street parking is tucked in behind, with an electric car-charging point, plus a single garage with power and light. To the front, black railings enclose the grassed areas and a metal arch leads through to the front door. You step inside to a central hallway with the cloakroom and staircase right in front of you and the dual-aspect living room to your right. On the opposite side is the dual-aspect kitchen/dining room with French doors to the garden. The kitchen area is fitted with an attractive and practical range of wall and base cabinets (integrated appliances include oven, hob, extractor hood, fridge/freezer) and there is plenty of space for a table and chairs - where everyone can sit and eat together. There is a separate utility room with a useful second sink and plumbing for appliances, plus a side door to the driveway. Moving upstairs we discover three generous bedrooms, an en-suite shower room and the family bathroom. Practical benefits include gas central heating and Upvc double-glazing. Driving into the development you will take in the country views and footpaths to the west, the lake, the open green space and the children's play area. A great family home!
