Tucked away in a desirable village cul-de-sac, this stunning detached family home offers a generous 1,638 sq.ft (approx.) of accommodation with annexe potential.

Both the 20'6" dual aspect living room with impressive Inglenook style open fireplace and the 22'1" kitchen/dining/family room provide direct access to the rear garden via French doors (great for entertaining), with the fitted kitchen incorporating a range of integrated appliances to enhance the sleek design. A further reception offers the versatility to use as a home office or games room and would also make a great annexe bed/sitting room, having the benefit of both an adjoining utility/kitchenette and shower room. A guest cloakroom/WC completes the ground floor accommodation. There are five bedrooms on the first floor, the principal with en-suite shower room, plus a modern bathroom with four piece suite. The attractive rear garden is laid to lawn with a tiered patio area and established shrubs, whilst the block paved frontage provides off road parking (with potential to increase the parking in place of the slate chipped/shrubbery area) complete with electric vehicle charging point. EPC Rating: D.
