2 Kewsland, Bishops Tawton, Barnstaple, Devon, EX32 0EX

Guide Price £425,000

Despite being North Devon's longest established estate agent, the times we have visited the exclusive hamlet of Kewsland can be counted on the fingers of one hand! Partly this is due to the tiny number of properties within the hamlet, and also because it is someone that, once experienced, one longs to stay. Arguably the prettiest house in the hamlet, 2 Kewsland is the perfect example of a thatched Devonshire cottage, its historical importance underlined by its Grade 2 Listed status, with a tasteful extension providing a modern fitted kitchen, a sumptuous and comfortable sitting room with a stunning period oak screen separating the dining area. Completing the ground floor accommodation is a tasteful and stylish shower room. On the first floor are three well proportioned bedrooms, with the master bedroom having a characterful beamed ceiling. It is worth noting that, although the cottage would make a perfect holiday home or main residence, the current owners operate the property as a lucrative holiday let, with great demand and many repeat visitors.
