The Situation

The Georgian market town of Lyminster with its cosmopolitan shopping and picturesque harbour is within easy reach of the property. Also within walking distance are the two large deep water marinas and sailing clubs for which the town has gained its status as a world renowned sailing resort, as well as an open-air seawater bath that was built in 1833. Lyminster has a number of independent shops including some designer boutiques and is surrounded by the outstanding natural beauty of the New Forest National Park. On Saturday, a market is held in the High Street, the origins of which probably date back to the 13th century. To the north is the New Forest village of Lyndhurst and Junction 1 of the M27 which links to the M3 for access to London. There is also a branch line train link to Brockenhurst Railway Station (approx. 5.5 miles) which gives direct access to London Waterloo in approximately 90 minutes.
