### Description

On an enviable and tranquil village plot, this immaculate and spacious three-bedroom bungalow, with open-plan kitchen and dining area, fabulous sitting room, and vaulted garden room, benefits from an extensive driveway with attractive stone outbuildings and garage.

This spacious bungalow combines contemporary and light open plan living with a warm and inviting interior finish. A large, bright sitting room with beautiful wooden parquet flooring and a bay window to the front also benefits from a feature fireplace with a log burning stove. Glass doors swing open extending this sociable living area into the fabulous, vaulted garden room. A wide central hallway connects the sitting room to the kitchen and allows space for a study/home office area overlooking the front garden, and there is access to a useful cloakroom. The extensive open plan kitchen and dining room provides plenty of space for a large dining table and other furniture. The kitchen is fitted with an attractive range of Shaker style wall and base units with warm wooden work surfaces and a matching kitchen island with breakfast bar, and further storage can be found in

the pantry and store. There is an integrated dishwasher and a Range cooker with gas hob and electric fan oven. Two of the double bedrooms are downstairs and they share a family bathroom with white suite. Stairs lead up from the rear hallway to the principal suite which has a 19' bedroom with vaulted ceiling, an ensuite shower room, a walk-in wardrobe, and easy access eaves storage.

### Outside

From double wrought iron gates on Front Street, a tarmac driveway crosses the property to a five-bar wooden gate on the quiet cul-de-sac of Ham Lane, providing plenty of parking and easy access. The bungalow sits to one side of the driveway with gardens front and back which are mainly laid to lawn bordered by mature colourful flower beds, shrubs and trees. Pretty stone outbuildings run almost the full length of the drive and include various garaging, workshops and storage. With the appropriate consents there is potential for conversion.
