Owner's View

NO CHAIN - We've absolutely loved living in this home—it's been the perfect blend of comfort, space, and convenience. The bedrooms are a great size, and the bright, airy rooms make the whole house feel welcoming and full of light. One of our favourite features is the sizeable garden, which has been ideal for hosting friends and family on sunny days. The area itself is lovely, with fantastic local shops and easy access to town, making everyday life really convenient. We've also appreciated the generous parking space for two cars. If we weren't relocating to be closer to family, we'd happily stay here forever—if we could pick up the house and take it with us, we would!
