Behind the attractive but unassuming frontage of this mid townhouse lies a truly stylish home which has been considerably improved and renovated by the present owner. Along with a quality fitted kitchen and refitted shower room, the property has also had the benefit of an open plan atrium style conservatory added to the rear, considerably increasing the available living space. The first floor has two bedrooms each with fitted wardrobes and outside the garden has been stylishly landscaped to great effect and squeezes the maximum usability out of its modest proportion. The location on the poplar Darwin Park development is perfect for accessing Lichfield facilities with easy access to the excellent road and rail network which serves the Lichfield area. Rarely have the words 'must be viewed to be appreciated' been more faithfully applied and sums up the desirability of this charming home.
