The Property

Spacious and flexible accommodation are just two highlights of many of this stunning house. There is a very striking kitchen/family room which has recently been refurbished to a high specification and acts as a real 'hub-of-the-home'. The kitchen also features a breakfast bar which overlooks the garden. This impressive area offers a perfect blend of open plan living with social and entertaining areas, with a welcoming warm feeling due to the log burners, while connecting effortlessly to the other reception rooms, such as the spacious living room at the front, along with a newly created, dining room.

The generous ground floor is further complimented by cloakroom, storage cupboard as well as a drying room. Yet another well-thought-out detail is the laundry chute & rather clever climbing wall. (view to appreciate!) New carpeting throughout exemplifies the excellent finish to the house. The beautiful dining room features floor to ceiling cupboards and French doors leading onto the patio and gardens, as well as a storage unit with worktop.

The feeling of space and generously proportioned rooms continue on the first floor with four double bedrooms. While the stunning 'principal bedroom' suite is on the 2nd floor, bedroom 1 can also be utilized as the main bedroom, due to its sheer size. Three double bedrooms enjoy well-appointed en-suite facilities, one being a 'Jack and Jill' fully fitted bathroom that also services bedroom 4. Indeed, another benefit is the very handy and time-saving laundry chute, which serves the two large en suites bedrooms at the front and the principal bedroom. The principal bedroom suite on the 2nd floor has many key features, such as a superb bathroom with double ended bath with double sinks as well as a separate extensive dressing area.

Perry Dees enjoys beautiful views over farmland and forest from each aspect.

The Local Area

Minstead is located in a sought after hamlet in the New Forest.

Tucked down a maze of country lanes and surrounded by woodland, it is tranquil and unspoiled, yet surprisingly and accessibly close to Junction 1 of the M27 at Cadnam. For a small village it punches well above its size in terms of community and history. Overlooking its delightful green is a popular country Inn, the Trusty Servant and adjacent community shop which serve as a village hub. There's also a quirky parish church which is the resting place of Sir Arthur Conan Doyle, creator of Sherlock Holmes. Nearby are what are thought to be two of the oldest oak trees in the Forest as well as the Rufus Stone, marking the spot where King William II was shot by an arrow. There's a busy village hall (the largest in the Forest) which hosts regular antiques and collectors' markets and the Minstead Players. However, what makes Minstead particularly special are its community minded organisations including Minstead Study Centre with its sustainability focus and Minstead Trust which also runs Furzey Gardens - first planted in 1922 they are ablaze with colour in spring and feature an award-winning garden and 'fairy doors' among the trees.

Directions

From our Burley office proceed in an easterly direction and take the Lyndhurst road leading out onto the A35. Turn left at the junction and continue towards Lyndhurst. Turn left at the traffic lights onto the A337 towards Cadnam, follow for about 3 miles and take the turning left (at the crossroads with Bartley) towards Minstead. Then take the right hand fork towards London Minstead, Perry Dees is the first house you come across in the forest on your right hand side just after a sharp left hand bend.
