The Property

Built around the turn of the century, Pendragon has been maintained to an excellent standard, showcasing quality craftsmanship and carefully chosen fixtures throughout. Constructed from green oak, the property combines character with thoughtful modern touches, including integrated internal and external sound systems, underfloor heating, and a blend of Amtico, oak, limestone, and marble flooring.

The ground floor offers an inviting flow of accommodation. The hallway leads into the sitting room featuring a vaulted ceiling, fully glazed gable, inglenook fireplace, and a handcrafted oak spiral staircase leading to a galleried mezzanine, currently used as a snug. The well-appointed kitchen/breakfast room opens onto a sun terrace and adjoins a formal dining room, ideal for everyday living and entertaining. The ground floor also includes the principal bedroom with ensuite shower room, a further bedroom, a dressing room, study, family bathroom, and an additional cloakroom.

The first floor continues to impress with a bright and airy landing, which leads to three further generously sized double bedrooms, which are served by a modern shower room.
