Owner's View

The property is located within 5-10 minutes walk to all the amenities required for social and comfortable living (supermarket, gym, cinema, cafés and restaurants) in an area with a large proportion of young professionals which makes socialising easy. It is conveniently located near good bus routes, close to Doncaster Train Station and close to M18. The property had a full renovation 3 years ago with the goal of making it a lovely functional space, easy to maintain. Lots of storage space has been added to the main bedrooms. Downstairs a kitchen dining area was created as a social space and the living room has been kept separate as a more quiet/cozy space. The combi boiler was replaced and the bathroom was fully decorated. The garden has also been landscaped and it features trees to add a sense of privacy and a mature border. The property is located near good schools, parks and green spaces making it an ideal location for a young family. St Augustines Road is a quiet street with lovely neighbours and a feeling of community. It's a great home for wellness and wellbeing.
