The Property

The property currently provides a high degree of flexible living and has been separated into a main home and a one bedroom self contained annexe. There is also a separate garden lodge with its own garden area including a hot tub and outside shower.

The entrance hall to the main home is a generous and welcoming space with exposed wooden floors and internal doors leading to the principal rooms. To the rear of the property is a modern kitchen/breakfast room which enjoys views and access out to the south facing rear garden. The kitchen is fitted with a comprehensive range of modern high gloss wall and base units with a breakfast bar area and space for a range cooker. Adjacent to the kitchen is the dual aspect dining/sitting room which is light and spacious and has French doors opening out onto the rear patio. There is a large utility room at the front of the property with space and plumbing for a washing machine and tumble dryer as well as ample storage room. There is potential

here to convert this room into an ensuite to bedroom 1, another bedroom, or a secondary reception room if required. A modern shower room with fitted vanity unit completes the ground floor accommodation to the main house. Stairs rise to the first floor where there are two double bedrooms, one with a large walk in wardrobe. Both bedrooms share the family bathroom.

Part of the house has been adapted to create a self contained one bedroom annexe which comprises its own entrance door, utility space, kitchenette, living room, double bedroom and shower room. This area can be easily brought back into the main home if required.

The large garden lodge is the latest addition, having been completed in 2020. The lodge has two rooms with doors leading to a private terrace area. There is a modern shower room and separate WC. The private terrace offers space for the hot tub and benefits from both an outside shower as well as a seating area to enjoy those long summer evenings.
