Property Description

River Close is situated within easy reach of the amenities of Wimborne Town Centre and can be accessed via a level walk along the River Allen. The accommodation comprises a living room and open plan dining room, kitchen, three bedrooms and a family bathroom with a separate cloakroom. The home offers gas fired heating as well as double glazing. The accommodation is dated and, in our opinion, the home requires complete modernisation and refurbishment throughout. We also believe that there is scope to extend the home (STPP).

Garden and Grounds

The front garden is laid to a kept lawn with mature shrubs and planted beds and there is a gravel driveway to the right hand side of the home which is suited to two vehicles and in turn gives access to the detached single garage which has an electric up and over style door. Between the side elevation of the home and the garage there is a wrought iron gate that provides access to the rear garden, there is a similar gate to the other side of the bungalow leading to a patio and the rear garden. The rear garden is primarily laid to a well kept lawn and there is a variety of well kept flower beds and mature hedged borders which provide privacy and seclusion from adjoining properties. There is a paved patio area immediately adjoining the rear elevation as well as a space to the rear of the garage which lends itself to being purposed as a kitchen garden.
