An excellent one-bedroom warden assisted bungalow for the over 55's featuring a bright conservatory that offers direct access onto the communal garden. Within the lease there is a designated parking space and shed in the covered parking area. This property is located in a highly desirable development just south of Lymington High Street. It is conveniently situated within a short walking distance to Woodside Park, the marina, and the High Street.

The Property

The covered entrance porch and front door open into the hallway. To the left, a door leads to a spacious shower room featuring a double walk-in shower, a low-level WC, and a wash hand basin with a vanity unit. Continuing through, another door opens into the double bedroom, which offers plenty of built-in wardrobes and views of the garden. The generous sitting room includes a fireplace with an electric fire and a stone effect surround. From the sitting room there is a conservatory, which has doors opening to the terrace and communal gardens. Adjacent to the sitting room is the kitchen, which is equipped with a modern range of floor and wall cabinets, an electric oven, a four-ring electric hob with an extractor above, a dishwasher, a washing machine, and fridge freezer.

The Situation

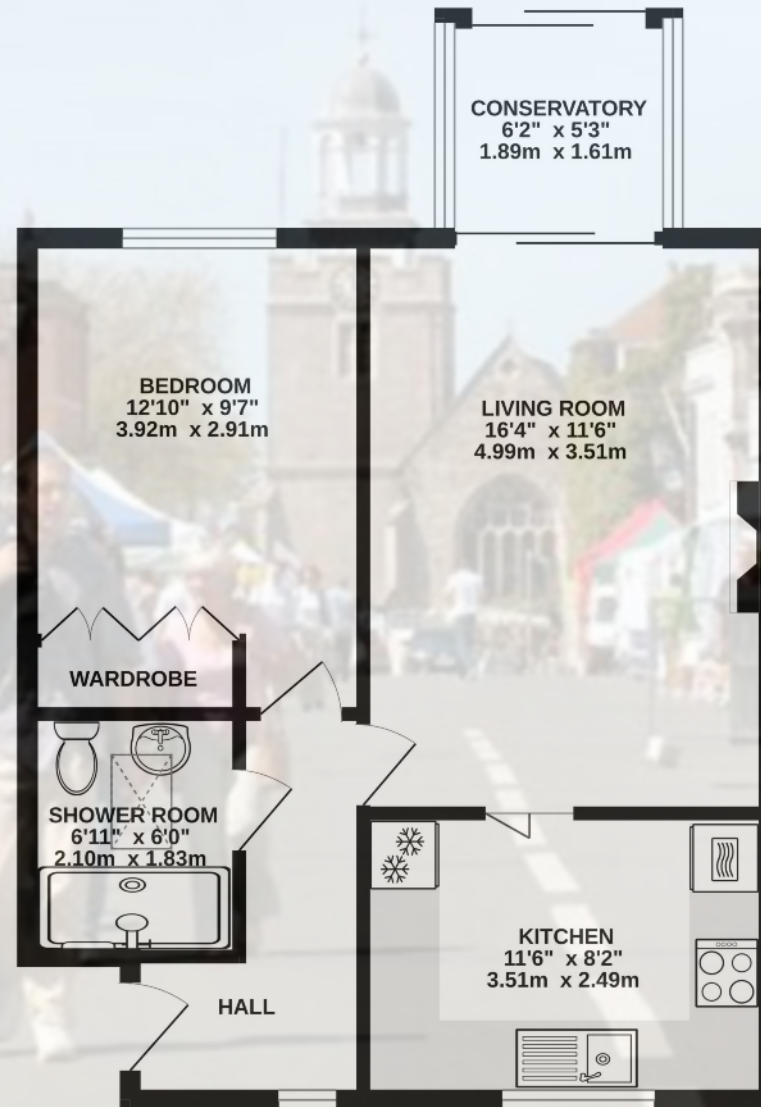

The beautiful Georgian market town of Lymington with its cosmopolitan shopping and picturesque harbour is within easy reach of the property. Also within walking distance are the two large deep water marinas and sailing clubs for which the town has gained its status as a world-renowned sailing resort, as well as an open-air seawater bath that was built in 1833. Lymington has a number of independent shops including some designer boutiques and is surrounded by the outstanding natural beauty of the New Forest National Park. On Saturday, a market is held in the High Street, the origins of which probably date back to the 13th century. To the north is the New Forest village of Lyndhurst and Junction 1 of the M27 which links to the M3 for access to London. There is also a branch line train link to Brockenhurst Railway Station (approx. 5.5 miles) which gives direct access to London Waterloo in approximately 90 minutes.
