## Church Road, Stowupland, Stowmarket

Deceptively Spacious Three Bedroom Semi Detached Cottage. This property was built in the 17th century but has had some extensive renovations such as its new kitchen and ground floor shower room. The rear garden is private, and has a small patio area whilst being mainly laid to lawn. In the garden there is the addition of a newly built garden room/ home office that is fully insulated with power and electrics and double glazed windows and door. There is off road parking to the side of the property for multiple vehicles. The property is within walking distance to local amenities, with the larger town of Stowmarket is just a short drive away. For anything further afield the A14 and Stowmarket train station with direct trains to London provide amazing travel options.

**£300,000 Offers in Excess of**

The rear garden is mainly laid to lawn with mature trees, hedges, bushes and plants and a pond. There is a shed and greenhouse with raised vegetable patches, and an outside tap. There is a fully insulated out building with power and electric, worksurface, double glazed windows and door from the rear garden, and a a door to the driveway. There is further access to the front of the property via a side gate. The garden is mainly bound by fencing which has been replaced within the last 3 years on the left hand boundary.

Garden Room/ Home Office

Fully insulated garden room, with power and electric and external sockets. Part glazed door to side, double glazed windows to rear garden. Sealed unit door opening to driveway.

Off Road Parking

Driveway to side providing off road parking for three cars leading to the garage.

Church Road, Stowupland, Stowmarket

Agents Note

We have been advised by our vendor of the following renovations to the property over the past 2-3 years.  
In 2020 the property has had its foundations updated and insulated to modern standards, along with the roof insulation. A new gas boiler was also fitted and is situated in a cupboard in the downstairs shower room.

In 2021 the kitchen and bathroom were installed, including plumbing for a washing machine. The ground floor now has engineered oak floor with real wood skirting boards throughout and to the first floor there are new carpets. The property boasts two new double glazed windows in the living room, and part double glazed doors to the side of the property and to the rear garden. Externally the property has been re-rendered and painted.

In 2023 the old garage was converted into the garden room/ home office. The renovations included new foundations, insulation, internal and external electric sockets, custom double glazed windows and part glazed door.
