Description

A truly unique lifestyle leisure business situated on the outskirts of the popular town of Frome and within short distance to one of the region's most popular attractions Longleat House & Safari Park.

Substantial former pub dating back to 17th century together with range of holiday letting accommodation and camping field. In total extending to approximately 1.6 acres (0.65ha) or thereabouts, as identified edged red.

The Fox

The Fox was previously a traditional country pub but following a change in direction from the owners has been repurposed and is now occupied as their principal dwelling. The commercial kitchen has been retained and now provides food for the letting accommodation and as a successful takeaway business on Friday and Saturday nights.

The internal accommodation comprises ground floor entrance hall, living room (former bar and dining areas), office, commercial kitchen and prep rooms and former customer toilets and stores. The first floor provides family kitchen, living room and five bedrooms each with ensembles.

It offers potential to formalise the change of use as a primary residence, scope to increase the food offering as a restaurant, boutique hotel or further letting accommodation or similar, subject to any necessary consents.

The Den & Orchard

The letting accommodation business comprises of a range of spaces and is well positioned to attract those visiting East Somerset and West Wiltshire attractions such as Longleat, Westbury White Horse, Stourhead, Wells Cathedral, Wookey Hole Caves, Bath and more.

The Den is a well presented two-bedroom annexe which benefits its own courtyard. This could be occupied as managers accommodation or possibly suit multi-generational living should it not be used as letting room.

The Old Kitchen is a one-bedroom unit and there are two purpose-built Glamping Pods. These are open plan and can sleep family 4-6.

There is a one-bedroom static caravan which has been in situ since 2005 and was previously occupied as staff accommodation and more latterly has been occupied by the owner's parents as their primary residence. There is scope for this to either be replaced with something more permanent, STPP, or let out as additional letting space.

Within the camping field there are two timber-built shower and toilet blocks, a games room, shepherds hut and two purpose built timber lodges. The lodges also capable of sleeping a family of 4-6. There is space for at least 10 camping pitches or potential for additional lodges.

Available all year-round with the campsite open from 31st March until 1st October. Bookings are taken directly or via Booking.com or Pitchup.com.
