The apartment has access from the communal hallway and the stairs to the top floor.

The accommodation comprises an entrance lobby which flows through to a main hallway as an artery to the two bedrooms and family bathroom. Both bedrooms are of double proportions with dual aspect windows and fitted wardrobes. The bathroom is tiled to full height with underfloor heating and offers bath with shower attachment, vanity unit with built-in sink and w/c, airing cupboard, opaque windows, shower cubicle and heated towel rail. There is also a separate w/c with hand wash basin. Additional storage is provided in the hall space, together with access to an emergency fire escape in the event of a fire.

At the end of the hallway is an open plan living area which has three windows to the front and side elevation and comprises a dining space and fitted kitchen with spaces for a washing machine, dryer, fridge, freezer and dishwasher, tiled splash backs, integral electric oven and hob and stainless steel sink with mixer taps. The sitting room sits at the end of the space, enjoying lovely views over the grounds which give this room a feeling of peace and tranquillity.

Grounds and Gardens

The house is approached from a quiet no through forest road and gravel driveway. The property benefits from a private secure garage in a block with an up and over door, which is accessed to the east of the house from a gravelled area.

A real feature of the property is the communal grounds and gardens which are mostly laid to lawn with a variety of areas offering plants and shrubs and bordered with trees.
