The Property continued . . .

The primary ground floor accommodation is well decorated, light and airy and offers spacious rooms allowing for comfortable low maintenance living. The adjoining rooms, if not required as a holiday let, offer a second reception room and a dining room that could easily be used as a further double bedroom with the kitchenette converted to an en-suite if required.

Directions

From our office proceed down the High Street turning left by Boots into New Street. At the end of New Street turn left into Avenue Road and then almost immediately right into Lower Buckland Road. Follow the road along for a short distance where the entrance to May Avenue will be seen on the left hand side. The property will be found at the very end of the cul-de-sac on the right hand side.

The Annexe

From the inner hallway there is a connecting door which leads to the beginning of the holiday apartment, which also has its own private entrance via the rear garden. The lounge has lovely garden views with a step up to the dining area and separate kitchenette. Stairs rise to first floor with eaves storage, two double bedrooms and a shower room. Overall this is a spacious four bedroom family home that has been cleverly divided into two living spaces, the annexe providing a very good rental or holiday let opportunity.

Situation

The beautiful Georgian market town of Lymington, with its cosmopolitan shopping and picturesque harbour, is within easy reach of the property. Also within walking distance are the two large deep water marinas and sailing clubs for which the town has gained its status as a world renowned sailing resort, as well as an open-air seawater bath that was built in 1833. Lymington has a number of independent shops including some designer boutiques and is surrounded by the outstanding natural beauty of the New Forest National Park. On Saturday, a market is held in the High Street, the origins of which probably date back to the 13th century. To the north is the New Forest village of Lyndhurst and Junction 1 of the M27 which links to the M3 for access to London. There is also a branch line train link to Brockenhurst Railway Station (approx. 5.5 miles) which provides a half hourly service to London Waterloo with a journey time of approximately 90 minutes.

Grounds & Gardens

The front area of the garden has been newly gravelled providing parking for numerous cars. A wrought iron gate then opens in to the private front garden with numerous mature plantings and a good sized lawn area. There is side access to the rear garden via a wrought iron gate which leads to a large terrace where there is a timber garden shed beyond which is a summer house with decking and a useful storage area for wood and garden equipment. The majority of the garden is laid to lawn and enjoys a high degree of privacy. Leading off from the back door is a small raised area of decking and there is outside lighting and an outside water tap.
