## Grounds & Gardens

The property sits on a charming, private plot accessed via electric gates, with off-road parking adjacent. The driveway leads to a large, detached garage with an electric door, providing ample parking and potential storage space with its pitched roof. The garage also includes utility and workshop areas.

The cottage enjoys a secluded and sunny garden, featuring a lush lawned area, various shrubs, a summer house, and a paved patio adjacent to the property.

Additionally, there are two separate courtyard areas, one accessible from 'Toads Pad', the potential annexe which offers its own small garden space. A summer house, equipped with power and water, adds to the outdoor amenities.
