St Andrews

The historic town of St Andrews is without doubt one of the most popular locations in Britain. St Andrews is home to the Royal and Ancient Golf Club and the famous Old Course. Its amenities include Scotland's oldest university, founded in 1413, beautiful award winning beaches, historic buildings, including the ruins of the cathedral, castle and St Rule's Tower and a wide variety of specialist shops and restaurants. Renowned worldwide as the home of golf, the residents of the town are eligible for reduced green fees over the seven St Andrews Links courses. There are many other golf courses in the area, including The Dukes, Kingsbarns and the Fairmont St Andrews complex (formerly St Andrews Bay). St Andrews is well placed for commuting to most of the surrounding towns such as Dundee, Perth, Kirkcaldy, Glenrothes and Cupar. The railway station at nearby Leuchars is on the main Aberdeen to London line and provides a fast link to both Dundee and Edinburgh. Edinburgh airport with its shuttle service to London is approximately fifty miles away and further airport facilities and London flights are available from Dundee.
