WHAT TO DO NEXT - Having decided on a property, you will need to complete a written application form. At this time any details or requirements can be provisionally agreed, such as occupancy date, duration of the letting, etc. On application, a Reservation Deposit will be required. Assuming the rental proceeds, this will be deducted from the Fees due before occupation. If we or the Landlord decline your application it will be refunded. It will not however be refunded if you decide not to proceed for any reason, or if the tenancy fails to proceed due to incomplete or inaccurate information provided in the tenancy application. A non-returnable £175 administration fee is due to this company to cover the Tenant's share of costs, including preparation of the tenancy agreement and any legal notices, referencing and credits checks, and check-in and check-out. This is based on an individual applicant. An additional £75 is payable per additional applicant.
