Property Description

Parmiter Way comprises a selection of detached bungalows which were predominantly built in the late 1960's and this particular property is positioned towards the head of the cul du sac. The accommodation comprises an open plan living room and kitchen, four double bedrooms, family bathroom and a purpose built conservatory which benefits from a warm roof installation. Furthermore, the home has been double glazed throughout, benefits from gas fired heating and, in our opinion, an en-suite facility could be added to the principal bedroom, should it be required.

Gardens and Grounds

The property benefits from an 'in and out' style driveway with the front garden being entirely laid to a tarmacadam driveway, which provides a generous amount of off road parking. The rear garden is southerly in orientation and is secluded from the adjoining properties. A paved patio spans the rear elevation and extends along the right hand side of the home as well as towards the rear boundary giving a superb area to enjoy outside entertaining. The garden is predominantly laid to a kept lawn and the boundaries are clearly defined by a variety of closed panel fences and hedging.
