Area Description

The area of Logan is situated to the west of Cumnock and offers its own primary school and local amenities. Surrounded by scenic open fields and farmland, the A70 leads to Cumnock town centre which, while its history dates back much further, is largely Victorian in appearance. Cumnock town centre itself offers a choice of cafes, restaurants, shops, and everyday facilities, with

further primary schools and secondary schooling provided by The Robert Burns Academy. Serviced by public buses locally, Cumnock is also at the juncture of the A76 and A70, providing rapid links to Dumfries and the larger motorway network for further travel.
