3D Virtual Tour Available- Take a closer, more detailed look around via our 3D Virtual Tour! Don't forget that you can also check availability for viewings online via a visit to our website... We have lived in this very quiet cul de sac for nearly 20 years. The property is not overlooked which is great and has a very private garden. It has a large conservatory which we spend a lot of time in. We have 4 double bedrooms which always provided plenty of room for our family. Our large lounge has a coal fire which we love. Our drive is very long and easily helped with parking for all our visitors.
