29 St Andrews Road, Fremington, Barnstaple, Devon, EX31 3BS
Offers Over £450,000

Having been completely refurbished by the current sellers and presented to a uniformly high standard throughout, this deceptively spacious and beautifully finished three bedroom detached bungalow offers sumptuous living without compromise. The larger than average sitting room is a real delight, having over size picture windows offering views to the fields opposite, the three bedrooms are all well proportioned and presented, and the shower room is well designed and equipped, but the real showpiece is the stunning kitchen/dining/family room, with it's high quality and super stylish design, it's triple aspect means it's full of light and the two pair of patio doors blur the lines between indoor and outdoor living - this room truly needs to be seen to be appreciated! Outside, the sunny rear gardens are a delight, while the deep front gardens keep the world at bay and provide space for the ample driveway which in turn leads to the double length garage, the whole being situated in a sought after cul de sac road in Fremington, with all the village amenities including the excellent health centre close at hand. In all, a wonderful opportunity with viewings highly recommended!
